REPORT FROM YOUR POLICE DEPARTMENT

It seems that when one reads about crime one particular point always sticks out. This point is INCREASES. It seems like crime is always on the increase. In 1977 crime in Lincoln rose significantly over 1976.

Here are some comparative figures on crime in 1977 and 1976:

	1977	1976	%Difference
Total Arrests for Criminal Activity	177	84	+ 110%
(i.e. DWI Arrests	40	25	+ 60%
Drug Related Arrests	42	14	+ 200%
Criminal Trespass	11	0	+1100%
Criminal Mischief	7	0	+ 700%
Commitments to N.H. Hosp.)	4	0	+ 400%
Total Criminal Cases Brought To Court	114	62	+ 83%
Total Motor Vehicle Cases Brought to Court	502	270	+ 85%
Total Accidents Covered	108	103	+ 4%
Total Incident Reports Filed w/o Court Action or Arrest	875	506	+ 72%
Door Checks-No. of Unsecure Buildings Found	329	169	+ 94%

Currently the police department is made up of 4 full time officers and 7 part-time officers. In 1977 4 new part-time personnel were added. They are Roger Landry, Libby O'Brien, Jeff Mayhew, and Larry Drew. Libby O'Brien is the first woman to be appointed a police officer in Lincoln. She serves as a matron for the department.

In January and the early part of February Martin Bean attended the N.H. State Police Academy. He graduated number 6 in his class. In May he attended the Accident Investigation school sponsored by the state. In October Patrolman First Class Philip English attended the breathalyzer school sponsored by the state. His attendance at this school has allowed him to be a certified breathalyzer operator for the police department. In the spring Clifton Dauphine and Roger Landry attended the Part-time Officers Training School.

Again this year the Lincoln Police Department and the U. S. Forest Service worked together under a cooperative agreement to provide part-time police coverage on the Kancagamus

Highway during the busy summer months.

Also because of a high increase of crimes at night the department found it necessary to break up the town into two partol zones: one being the center of town and the other being on Route 3. After instituting this new patrol procedure crime taking place at night dropped.

On December 1st. Loon Mountain and The Village at Loon Mountain contracted with the town to have a full time police officer work a security detail at those two areas. Larry Drew has taken over the duties there. He is paid for by the residents and management of both the areas.

At this time I would like, on behalf of the department, to thank the dispatchers at the communications center and the N.H. State Police for their assistance, and to the taxpayers and residents for their constant on-going support of the police department. Without such support our jobs would be impossible to handle.

Respectfully submitted,

WALLACE J. PELTIER
Chief of Police

REPORT OF THE LINCOLN COMMUNICATIONS CENTER

1977 saw the first full year of operation for the Lincoln Communications Center. During the year the center has seen several improvements to provide better and faster service to the taxpayers.

This year a new telephone system was installed. A new emergency line, 745-2222, began operation in late summer and everyone calling this number will be provided emergency police, fire and ambulance service. Again this year the dispatchers also answered the Lincoln District Court Phone.

Also this year Burndy Corporation added an annunciator panel for its burglar and fire alarm systems. The School Committee placed an annunciator in the center for its fire alarm system and several other businesses have inquired as to the feasibility of placing alarms there also.

In the spring the dispatchers began monitoring citizens band radio on channel 9, the F.C.C. designated emergency channel. The CB radio was donated to the town. Again this summer the dispatchers monitored a U.S. Forest Service radio. This allowed the dispatchers to be in direct radio contact with forest rangers throughout the White Mountain National Forest.

In 1977 there were two switches in manpower. Dee O'Rourke and Larry Peltier left their duties and were replaced by Pat Reardon and Libby O'Brien. Dee and Larry have both stayed on in a part-time capacity though, we are happy to say.

	Total 1977	1977 Avg. per month	1976 Avg. per month

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. Consequently, the amounts of uncollected and unredeemed taxes as indicated in this report are subject to any changes which may be necessitated by the return of verification notices.

General Comments

Limitation of Appropriations—Muncipal Budget Law:

The provisions of R.S.A. 32:8 states that ". . . The total amount appropriated at any annual meeting shall not exceed by more than ten percent the total amount specified in the budget for said meeting, and no appropriation shall be made for any purpose not included in said budget, provided, however, that the budget committee may also submit, without approval items which they do not wish to recommend but which they believe the voters should be allowed to consider and act upon, either favorably or unfavorably. The ten percent increase herein allowable above the total amount specified in the budget for said meeting shall be computed on the total amount recommended less that part of any appropriation item which constitutes fixed charges."

However, the actual vote of the Town at the 1976 annual meeting exceeded the ten percent limitation in the amount of $23,406.33, as follows:

Posted Budget as Recommended by the Budget Committee		$680,349.31
Net Increases Persuant to the Vote of the Town:		
Civil Defense (Article 10)	$ 24,000.00	
Town Road Aid	(1,062.99)	
Water Improvement (Article 40)	32,000.00	
Dump Truck and Plow (Article 36)	9,000.00	
		63,937.01
Budget as Approved by Town		$744,286.32
Recommended and Posted Budget		$680,349.31
Less Debt Service		275,032.50
Base for Ten Percent Limitation		$405,306.81

The Town, therefore could only increase the recommended budget by $40,530.68 (ten percent of $405,306.81). However, actual increases as voted by the Town totaled $63,937.01, thereby exceeding the ten percent limitation by $23,406.33 ($63,937.01 less $40,530.68).

Limitation on Powers of Towns to Raise and Appropriate Money:

Our prior year's audit comments stipulated that the power of Towns to raise and appropriate money is not absolute, and such power is derived solely from statutory provisions found in the Revised Statutes Annotated, which provisions restrict the power to appropriate to certain specified objects of expense and other necessary charges. These remarks were stated as the result of a vote at the 1975 Town meeting to raise and appropriate the sum of $5,000.00 for snow removal from private driveways.

Our examination for the fiscal year ended December 31, 1976 disclosed that although a separate appropriation was not made for snow removal from private driveways, such snow removal was done during 1976 and the cost thereof, charged to winter maintenance.

It must be stated again, that there is no statutory authority in the New Hampshire Revised Statutes Annotated which allows municipalities to raise and appropriate money for this object of expense.

Conclusion:

The provisions of Chapter 71-A, Section 21, require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We express our thanks to the officials of the Town of Lincoln for their assistance during the course of the audit.

TOWN OF LINCOLN
CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Lincoln for the fiscal year ended December 31, 1976.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheets and statements of sources of revenues and expenditures present fairly the financial position of the Town of Lincoln at December 31, 1976, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.
